Subject: Montana 2012-2016 Statewide Transportation Improvement Plan (STIP)
2012 STIP, Amendment Six

Dear Ms. Zanto:

The Federal Highway Administration (FHWA) has reviewed the subject Amendment Six for the Montana FY 2012-2016 STIP. Amendment Six provides the applicable project numbers along with the phases the Montana Department of Transportation wishes to program. The projects shown will not require a revised air quality conformity finding or transfer of funds between FHWA and the Federal Transit Administration.

FHWA approval for this amendment is hereby given except for the 'MCOM Grant Award 2013' project which still needs an agreed to scope and project agreement.

Sincerely,

for Kevin L. McLaury, P.E.
Division Administrator
