RE: Montana 2014-2018 Statewide Transportation Improvement Plan (STIP), Amendment #10

Dear Ms. Zanto:

The Federal Highway Administration (FHWA) has reviewed the subject Amendment #10 for the Montana FY 2014-2018 STIP. Amendment #10 provides the applicable project numbers with the phases the Montana Department of Transportation wishes to program. The projects shown will not require a revised air quality conformity finding or transfer of funds between FHWA and the Federal Transit Administration. However, given your request for FTA of approval of Sections 5311 and 5539 funding modifications to reflect grant awards to bus facilities, this proposed amendment was also reviewed by FTA Region 8.

FHWA and FTA approval for this amendment is hereby given.

Sincerely,

For Kevin L. McLaury, P.E.
Division Administrator
