Subject: 2014 STIP Amendment 10

Enclosed is Amendment 10, dated May 18, 2015, for the 2014–2018 STIP, dated May 2014. Amendment 10 shows the applicable project numbers along with the phases we wish to program. This amendment represents the projects and phases for which we need FHWA approval.

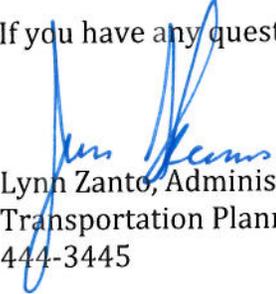

Additionally, we are acknowledging Amendment 1 to the Missoula FFY 2015-2019 Transportation Improvement Program, and Amendment 1 to the Great Falls FFY 2014-2018 Transportation Improvement Program, by reference (updated checklists are attached).

The subject projects will not require a revised air quality conformity finding or transfer of funds between FHWA and FTA. However, we are requesting FTA approval of Section 5311 and Section 5339 funding modifications to reflect grant awards relating to bus facilities (see attached documentation).

Please review and approve Amendment 10.

If you have any questions, please contact Paul Johnson at 444-7259.
